(a) Under uniform regulations prescribed by the Secretaries concerned, transportation in accordance with subsection (b) may be provided for a member of a uniformed service and for dependents of that member authorized to reside at the member's duty station (or authorized to reside at another location and receive a station allowance) incident to emergency leave granted for reasons of a personal emergency (or in the case of transportation provided only for a dependent, under circumstances involving a personal emergency similar to the circumstances for which emergency leave could be granted a member).

(b)(1) In the case of a member stationed outside the continental United States and the dependents of such a member, transportation under this section may be provided from the location of the member or dependents, at the time notification of the personal emergency is received, or the member's permanent duty station (and if the member's dependents reside at an-

other overseas location and receive a station allowance, from that location)—

(A) to the international airport in the continental United States closest to the location from which the member and his dependents departed;

(B) to any airport in the continental United States to which travel can be arranged at the same or a lower cost as travel obtained under subparagraph (A); or

(C) to an airport in Alaska, Hawaii, the Commonwealth of Puerto Rico, any possession of the United States, or any other location outside the continental United States, as determined by the Secretary concerned.

(2) In the case of a member whose domicile is outside the continental United States and who is stationed in the continental United States and the dependents of such a member, transportation under this section may be provided from the international airport in the continental United States nearest the location of the member and dependents at the time notification of the personal emergency is received or the international airport nearest the member's permanent duty station to an international airport in Alaska, Hawaii, the Commonwealth of Puerto Rico, a possession of the United States, or any other location outside the continental United States, as determined by the Secretary concerned.

(3) In the case of a member stationed outside the continental United States whose dependents reside in the continental United States, transportation under this section may be provided for the member as described in paragraph (1) and for the dependents as described in paragraph (2).

(4) Whenever transportation is provided under this section, return transportation may be provided to the location from which the member or dependent departed or the member's duty station.

(c) Transportation under this section may be authorized only upon a determination that, considering the nature of the personal emergency involved, Government transportation is not reasonably available. The cost of transportation authorized under this section for a member, or the dependents of a member, may not exceed the cost of Government-procured commercial air travel between the applicable locations described in subsection (b).
